

The Terrace Restaurant

at Highgate House

Open for Business...

For over forty years Highgate House has been serving stunning cuisine to its conference and event guests. Now, The Terrace Restaurant is also open to the public on a reservations-only basis.

To celebrate its opening, here is a special introductory offer. Cut out the coupon to the right and bring it with you when you dine. (Why not email one to your friends?)

Superb Evening Meal...

The Terrace Restaurant is a contemporary brasserie-style restaurant offering modern European cuisine from a regularly-updated menu. It makes the perfect setting for a fabulous evening meal, either during the week or at the weekend. Food is prepared by a talented brigade of chefs, using fresh, local produce.

Contemporary and modern in its design, The Terrace Restaurant features plush, comfortable seating for up to 150 guests at mealtimes and offers a delightful environment in which to enjoy dinner. Away from Northampton town centre, it also eliminates all the hassle involved with driving into town and parking. The Terrace Restaurant is fully wheelchair accessible.
